Saturday 8th Sept Whitsand Bay Hotel	1. Peter Nicholas 2. Chris Kennedy
Saturday 10th Nov Community Shop	1. Karen Baker 2. Dorothee Mathias.

An important role for the Parish Council is to try and resolve issues that affect those who live within the Parish. We can only do this if the Councillors are made aware of your concerns. We already have a period for Public Participation at the start of every meeting, we have the Forum on the website, www.sheviockparish.org.uk, through which messages can be submitted and we are all available when walking around the Parish or at home on the telephone/e-mail.

However, we are aware that 7.00pm on the second Monday of each month is not always a convenient time for you to attend Public Participation; for the elderly during the winter it is dark, for families with young children it is the time for baths and bedtime stories and for many others there are conflicting pressures.

The Parish Council decided, therefore, to hold Surgeries between 09.30 and 10.30 a.m. every other month on the Saturday before the Parish Council meeting.

We hope you will find this a useful service that gives you access to the councillors at a time and place that will be convenient for you. If you have anything you would rather raise in confidence then please do not hesitate to continue to contact one of the councillors at any time.

Chris Kennedy.
